Trellis System	Single wire
Varietal	Shiraz
Age of Vines	22 years
Alc/vol	14.0%
Closure	Stelvin
Yield per acre	2.5 ton
Total Production	24,000 bottles

Treatment

Family traditional responsible farming methods with a diet of composts, native grasses & flora as ground cover, low water input and natural sprays for diseases. Made via a mixture of whole berry and 25% whole bunch natural vineyard yeast ferment in small open top fermenters, soft pump overs, basket pressed into seasoned 500lt French oak barrels and bottled unfiltered.

Vintage Comments

Dry winter & spring rainfalls, but with the rains we received it fell at critical moments which the site showed a healthy canopy heading into a hot December summer. Late January and February provided some relief with a good rain event leading into March harvest to produce a beautifully complex & deeply flavoured shiraz.

Tasting Notes

Perfumed violets, spice and black cherry on the nose. Blackberry and spice with super fine tannins on a long elegant palate.

Great example of Barossa hills fruit.

A lovely bistro food table wine.

Story

In the far reaches of the Barossa – the furthest to the South East as can be, when the sun sets, and the full moon rises, a cold calm descends on the undulating landscape. A vineyard grows here in the silence of the night, nurtured by Earth's critters and the magical moon and sunshine. This sacred ground, this mystic park, produces an exotic Shiraz that's mouth filling, oh so plush and so perfect on a many starry moonlit night.
